

Calendar motion

The calendar motion was passed without any modification, so that it reads exactly as it appears on the agenda for the April 9 FS meeting:

1. Classes for Spring semester of any year shall not begin prior to the day following the Martin Luther King national holiday celebration. Spring break shall occur between the end of first half semester classes and the beginning of second half semester classes.
2. Fall semester exams shall conclude on or before December 18th unless that is a Thursday, in which case they may conclude on Friday the 19th.
