

Title: Change in Section 2.4.1 of Faculty Handbook.

To resolve a conflict in wording in the Faculty Handbook between Sections 2.4.1 and 3.3.3.1 regarding NTER faculty, withdraw the previous Motion 1 for Section 3.3.3.1, and make the following change in Section 2.4.1:

2.4.1 The General Faculty

The General Faculty is the legislative body of the university. It consists of all tenured and tenure-eligible and non-tenure-eligible faculty members as well as all major administrative officers of the university who carry faculty appointments, [“except as provided in 3.3.3.1.”](#) The General Faculty is responsible for educational policies and procedures of the university, including the following:

- admission requirements
- graduation requirements
- curriculum and course revisions
- new degree programs
- grading procedures
- candidate recommendations for diplomas, degrees, and certificates to be conferred by the president

Major changes in educational programs and policies approved by the General Faculty must be presented by the president to the Board of Regents for final approval.

The General Faculty is responsible to, and is chaired by, the university president. While the Faculty Senate was created by the General Faculty to conduct its business, meetings of the General Faculty may be held as needed at the call of the president. If the General Faculty dissolves the Faculty Senate, meetings of the General Faculty would then be held at the end of each semester and as needed at the call of the president. The documents of the General Faculty, including minutes of its meetings and reports of major committees, are on file in the University Archives, ISU Library,
