

College of Human Sciences

2012-2013

I. SIGNIFICANT TRENDS:

There were really no significant trends in the College of Human Sciences.

It should be noted three significant changes were started during this time period, which will impact the 2013-2014 catalog: a new Bachelor of Science program in Athletic Training (Kinesiology); a department name change for the Department of Apparel, Education Studies, and Hospitality Management; and a move for the Family and Consumer Sciences Education and Studies program from the Department of Apparel, Education Studies, and Hospitality Management to the Department of Human Development and Family Studies.
