

Rationale for By-Law Change

It seems more reasonable to consider the time of service for all senate officers to be the same, so the following by-change for the office of secretary is proposed.

Faculty Senate By-Law Change – Article II, Section 11, Paragraph C:

Time served in the senate as president-elect and senate president will not be included when computing terms served for the purpose of eligibility (see Article II, Section 9)" (By-laws Article II, Section 11, paragraph C).

Change to:

Time served in the senate as president-elect, senate president, and secretary will not be included when computing terms served for the purpose of eligibility (see Article II, Section 9)" (By-laws Article II, Section 11, paragraph C).
