

College of Human Sciences

2013-2314

Submitted November 5, 2012

I. SIGNIFICANT TRENDS:

Kinesiology has a new Bachelor of Science program in Athletic Training (A TR). The Department of Apparel, Educational Studies, and Hospitality Management is now the Department of Apparel, Events, and Hospitality Management. As a result of both of these changes, course designators have changed for the 2013-2014 catalog. The Departments of Curriculum and Instruction and Educational Leadership and Policy Studies have formed the School of Education. Programs offered by the School of Education remain the same as those offered by the two separate departments.
